CAREER OBJECTIVE

Motivated and detail-oriented B.Tech Computer Science Engineering student with hands-on experience in web development, software development, and cybersecurity awareness initiatives. Skilled in Python, C, HTML, CSS, and ASP.NET, with practical experience in developing web applications and IoT-based solutions. Seeking an entry-level position as a Software Developer, Web Developer, or Cybersecurity professional to apply technical skills, leadership experience, and problem-solving abilities toward organizational growth while continuing to build professional expertise.

EXPERIENCE

Assistant Web Developer *Sep 2022 - Sep 2023*
Starktech Ventures Private Limited, Ishwarpur, Sangli

- Developed and maintained responsive web pages using HTML and CSS.
- Implemented UI components based on design specifications to improve usability.
- Collaborated with senior developers to fix UI bugs and ensure cross-browser compatibility.

PROJECTS

Automated Billing Trolley (IoT)

- Designed an IoT-based smart shopping trolley using Arduino and embedded systems.
- Enabled automatic product detection and real-time cart item tracking.
- Reduced checkout time by generating instant billing within the trolley.

College Website of Innovation Hub

- Developed a dynamic, database-driven website for the college's Center for Future Skills program.
- Configured and managed backend architecture and database integration using the XAMPP stack.
- Designed an intuitive UI to effectively display course information and student activities.

Personal Agentic Portfolio (mohammadali054.netlify.app)

- Developed a fully responsive single-page developer portfolio with a modern dark glassmorphism aesthetic.
- Integrated a high-resolution looping video background for an enhanced user experience.
- Structured semantic HTML to effectively showcase experience, projects, skills, and certifications.

EDUCATION

B.Tech in Computer Science Engineering *Aug 2023 - Aug 2027*
D Y Patil Agriculture and Technical University, Kolhapur - CGPA: 6.91/10

LEADERSHIP & ACTIVITIES

President & Activity Director, Quickheal Cyberwarrior Club (DYPATU) *2024 - 2026*

- Led the Activity Director role, driving cybersecurity awareness initiatives across the institution.
- Conducted cyber awareness sessions in 90+ colleges, schools, and communities during the 2025-26 academic year.
- Coordinated events and sessions with peers and faculty to increase participation in cyber safety initiatives.

Core Member, Coding Club (DYPATU)

- Active core member contributing to the university's coding ecosystem.
- Collaborated in organizing programming events, hackathons, and technical workshops to strengthen coding culture.

Core Member, TechSpeak Hub (DYPATU)

- Promoted effective technical communication as a core team member.
- Assisted in organizing speaking events, debates, and seminars to enhance students' soft and technical skills.

ACHIEVEMENTS & CERTIFICATIONS

- Completed IBM Python Certification.
- Completed IBM DevOps Certification.
- Network Security Engineer Certificate by NASSCOM.
- Information Security Analyst Certification by NASSCOM.

- Completed Introduction to Cybersecurity Certification.
- Ethical Hacking Certification by Cisco Networking Academy.

SKILLS

Programming: C, Python
Web: HTML, CSS, ASP.NET
Database Management Systems: SQL, MySQL
Tools: Git, GitHub, Arduino, DevOps concepts
Other: Problem Solving, UI Implementation, Team Collaboration

AWARDS

- Best Anchor Award - D Y Patil University (2025)
- Best Cyber Club National Award - Quickheal Foundation (2025)
- Best Offline Outreach - Quickheal Foundation (2025)
- Nominated Best Activity Director - Cyber Shiksha for Cyber Suraksha among 36 Indian Universities, Quick Heal Foundation
